Description

This database contains passenger lists of ships that departed from the port of Hamburg, Germany from 1850-1934 (with a gap from 1915-1919 due to World War I). The database includes images of the passenger lists digitized from microfilm in partnership with the Hamburg State Archive, available here for the first time online. It also includes a complete index for the years 1850-1914 (up to the start of World War I) and 1920-1923.
